

time	Sunday August 27	Monday August 28	Tuesday August 29	Wednesday August 30	Thursday August 31				
08:00 - 08:30				Young investigator Awards (main hall): Roger Bresolí Obach Nadja A. Simeth-Crespi					
08:30 - 09:00		Practical information	Keynote (main hall): Yong Zhang		Keynote (main hall): Shelley Minteer				
09:00 - 09:30		Keynote (main hall): María Gabriela Lagorio	Keynote (main hall): Gareth I. Jenkins		Keynote (main hall): Jean-Luc Coll				
09:30 - 10:00				Parallel sessions (With coffee break at 10h15 – 10h45)					
10:00 - 10:30	Meeting of ESP Executive Committee 1 (Mercure hotel)	Parallel sessions (With coffee break at 11h00 – 11h30) 9h15-13h00 Human antimicrobial PDT (ESP-ASP symposium) (main lecture hall) 9h15-13h00 Melanin: the light and the dark (room 1) 9h15-12h05 Plants, UV radiation, and environmental change (room 2) 9h15-13h00 Bioluminescence (room 3)	Parallel sessions (With coffee break at 11h00 – 11h30) 9h30 – 13h00 Keratinocytic skin cancers (main lecture hall) 9h30 – 13h00 Communications in phototherapy and PDT (room 1) 9h30 – 11h00 Light in dentistry (room 2) 9h30 – 13h05 Communications in physical and chemical photobiology (room 3) 9h30 – 12h00 Plant circadian biology (room 4) 12h00 – 12h40 Flash presentations on plants and photosynthetic organisms (Room 4)	8h45 – 12h45 Ultrafast studies to unravel the dynamics of photoactivated biological processes (main lecture hall)	Parallel sessions (With coffee break at 11h00 – 11h30) 9h30 – 13h00 Photodamage and phototoxicity: a mechanistic view (main lecture hall) 9h30 – 13h00 Combination therapies or PDT in combinations (room 1) 9h30 – 13h00 Perspectives and controversies in sun care (room 2) 9h30 – 12h45 Pollution and sun exposure (room 3)				
10:30 - 11:00				8h45 – 12h45 Advanced technology for phototherapy (room 1)					
11:00 - 11:30				8h45 – 12h15 Ocular photochemistry: positive and negative effects (room 2)					
11:30 - 12:00				8h45 – 12h45 Advances on molecular mechanisms in natural and biomolecular biohybrids (room 3)					
12:00 - 12:30									
12:30 - 13:00									
13:00 - 13:30				Lunch		Poster session	Lunch	General Assembly of the French Society for Photobiology (room 2)	Lunch
13:30 - 14:00						13h00 – 15h00 Buffet (lobby)			
14:00 - 14:30	Keynote (main hall): Janet Bornman	13h15-14h00 EU funding round table (main lecture hall)		Parallel sessions (With coffee break at 15h15 – 15h45)	Keynote (main hall): Michael Hamblin				
14:30 - 15:00	Keynote (main hall): Michel Sliwa	14h00-15h30 Springer session (main lecture hall) 13h00 15h30 Posters (lobby)		13h45 – 17h15 Brand new delivery approaches for PDT (main lecture hall)	Parallel sessions (With coffee break at 16h00 – 16h30) 14h30 – 18h00 Antimicrobial PDT for environmental applications (main lecture hall) 14h30 – 17h30 Update on physiological effect of sunbeds (room 1) 14h30 – 18h00 Photofunctional proteins and peptides (room 2) 14h30 – 17h45 Biodiversity in light harvesting and regulation (room 3)				
15:00 - 15:30			13h45 – 17h15 Impact of UV radiation in Human inflammatory health disorders (room 1)						
15:30 - 16:00			13h45 – 16h15 Photoperception and acclimation to changing light and CO2 in microalgae (room 2)						
16:00 - 16:30	Registration (INSA)	Parallel sessions (With coffee break at 16 h30 – 17h00) 15h00 – 19h00 Photoprotection (main lecture hall) 15h00 – 19h00 Emergent PS in PDT (room 1) 15h00 – 18h15 Communications in health and skin photobiology (room 2) 18h15 – 19h10 Flash presentations in PDT (room 2) 15h00 – 19h00 Intact organisms and photosynthetic biohybrids (room 3)	Parallel sessions (With coffee break at 17h00 – 17h30) 15h30 – 19h00 PDT and immunology (main lecture hall) 15h30 – 18h15 Modulation of pigmentation and melanoma (room 1) 15h30 – 18h00 Photosystem II and Oxygen Evolution (room 2) 15h30 – 17h00 The impact on sunscreens on aquatic environments (room 3) 17h30 – 18h50 Communications in photoprotection (room 3)	13h45 – 17h00 Non-canonical DNA structures: from biological targets to (opto)electronic materials (room 3)					
16:30 - 17:00									
17:00 - 17:30									
17:30 - 18:00									
18:00 - 18:30									
18:30 - 19:00									
19:00 - 19:30:00				Welcome reception (La Commune)			Boat boarding	Meeting of ESP Executive Committee 2 (Mercure hotel)	
19:30 - 20:00				inauguration		Meeting of the PPS editorial board (room 2)			
20:00 - 20:30	keynote: Silvia Braslavsky			Gala diner					
20:30 ++
